Tube Bundles

Part Numbers	Description	Engine Application
OEM: 110848 Rocore: 71-2676P3	6.50" X 4.0" Removable Tube Bundle	NH220, NHS275, NTO262 V378, V504, V8 210, N14
OEM: 142608 Rocore: 71-2709P3	15.96" X 5.0" Removable Tube Bundle	NTC335, NTA370, NTA420 Non-FCC N14
OEM: 173287 Rocore: G1001995	8.0 X 5.0 Removable Tube Bundle	V378, V378C, VT155, VT210, V504C, VT504C, V555, VT555, VT240, VT225, VT555C, V555C, V8 555, N14
OEM: 186348 Rocore: 71-2708P31	14.50" X 5.0" Removable Tube Bundle	V903, VT903, T295
OEM: 3021581 [208149] Rocore: 71-6263P3	12.66" X 5.0" Removable Tube Bundle	NTC230, NTC230F, NTCCC230, NTC300, NTC300F, NTC250, NTC250F, NTCC250, NTC350F, NTCC350, NTC290, NTC290F, NTCC290, NTC400, NTC400F, NTCC400, V-903, VT-903

Finned Tube Bundles

OEM: 3045483 [3018692, 3412285] Rocore: 71-6309P32	13.125" X 3.250" Removable Tube / Fin Bundle	Big Cam III, Big Cam IV, NTC 855
OEM: 3052514 Rocore: 71-6397P3	Removable Tube / Fin Bundle	NT 86

This applications guide is for reference only. Please consult your parts manual to identify the proper engine part number for a specific engine. This information should be used in conjunction with application engine shop manuals, operation and maintenance manuals and distributor bulletins provided by the original engine manufacturer.

Note: Certain oil coolers fit several engines. Refer to model and configuration to insure proper application.
